

## Team Selection (Representative) Policy

### 1. Purpose of Selection Criteria

To select competitors that best represent Pistol Northern Territory (PNT) at Pistol Australia (PA) National Championships, either in teams or as individuals.

### 2. Eligibility

To be eligible for selection, a competitor must;

- Be a financial member of PNT.
- Have a current NT Police Firearm Licence - Category 'H' Sports Shooter
- Have achieved the Minimum Qualifying Score (MQS) in an event for which they are to be considered. (Attachment A)

### 3. Selection Process

- For ISSF/PA Representation, the qualification period is 01 November to 30 October, prior to the year of the National Championship. The successful applicants will be notified by 31 November.
- It is the candidates responsibility to ensure scores are submitted to PNT Selectors. Preferred method is scanned and sent to: pistolnt@gmail.com
- Valid scores include results from Club calendar matches, Interclub shoots and State/Territory Opens. These scores contribute to the selection process by providing evidence of ability, consistency, continuing participation and improvement.
- Scores must include at least one match MQS to qualify for consideration, but not necessarily for selection.
- For Action Match selection, the qualification period is 01 August to 30 July, the year prior to the National Championship.
- Action Match - Selectors will choose the average of the three best Sanctioned Match Scores.
- At the end of the selection period, a Selection Committee will form, comprising a maximum of three Selectors, and the relevant Team Coordinator. The Selector(s) will submit recommendations to the Management Committee.
- Where possible, Junior competitors should be offered a place based on potential for future development.

### 4. Minimum Qualifying Scores (MQS)

PNT reviews the selection criteria and the MQS on a regular basis. The MQS is set to enable achievable goals for competitors to reach and exceed, whilst maintaining a standard for representing at National level. Competitors must shoot a MQS to be eligible for consideration. They are minimum scores and do not guarantee selection. (See attachment A)

## Team Selection (Representative) Policy

### 5. General

Competitors who are recommended to represent PNT will be invited, to accept a position on the team (or teams) and must reply by the due date of their acceptance.

Team events will be made up of the number of competitors required from the successful selections. In some cases a reserve may be nominated or competitors in some events may be required to participate in other teams to fill a vacancy. The Selector(s) and Committee have the option of not recommending a full team, if in their opinion the scores are not of a high enough standard.

Competitors will, where possible, be remunerated to offset a portion of costs for entrance fees, airfares and accommodation. The value of the remuneration will be reviewed on a yearly basis.

Competitors will be issued with two team shirts and one jacket. These are expected to be worn when representing the NT in competition. Competitors have the option of purchasing further shirts from PNT.

A Team Coordinator will arrange transport and accommodation (the cost of accommodation to be reimbursed by the members) for the team while at the event. In the case that the number of selections does not justify a Team Coordinator to accompany the competitors, a Team Captain will be appointed amongst the competitors to organise the affairs of the competitors.
